Subject: Draft Regional Consistency Concurrence Memo

All –

Attached is a draft memorandum for the RA's signature that will be used to document OAR's concurrence with Region 6's final action withdrawing the Texas SSM SIP call. The final action is based upon an alternative CAA interpretation that deviates from the national policy on affirmative defenses in SIPs as outlined in the 2015 SSM SIP Action. The plan is to docket the version of the draft FRN upon which the concurrence will be based.

Please review and let us know if you have any comments.

Thanks,

Rick
